**VTech to Acquire Mexican Manufacturing Facility from QSC, LLC**

*Addition of wood enclosure loudspeakers to professional audio range*

**Hong Kong, 20 January 2021 – VTech Holdings Limited (HKSE: 303)** today announced that it has signed an agreement with QSC, LLC to acquire its production facility in Tecate, Mexico for manufacturing wood enclosure loudspeakers.

QSC, LLC is a globally-recognised leader in the design, engineering and manufacture of award-winning high-performance loudspeakers, digital mixers, power amplifiers, audio processors and digital cinema solutions. The acquisition of its production facility in Tecate, Mexico includes the fixed assets and business in manufacturing wood enclosure loudspeakers for the North American market. In addition to manufacturing QSC's range of wood enclosure loudspeakers, this acquisition will strengthen VTech Contract Manufacturing Services' (CMS) leading position as a manufacturer of professional audio equipment. It also brings new know-how and additional growth potential to VTech.

"VTech CMS is one of the world's leading EMS providers in the field of professional audio equipment. This acquisition will further enhance our expertise and product range in this area," said Andy Leung, CEO of Contract Manufacturing Services. "It is the latest step in our strategic initiative to expand our global footprint by investing in production facilities outside Asia to explore new areas of growth and better serve our customers."

The acquisition will be funded through internal resources. It is expected to close in the second quarter of 2021 and is subject to certain closing conditions in the agreement.
